Please pray for my parents as they age and for me as I try to help them in the journey.
I also ask for blessings for my daughter and protection/help for my son as he enters the US Navy.

Pray for continued good health for my parents and quick healing after my mom's

That I would be a godly example to my greatest mission field – our children and seven grandsons.

fullness of God.

I'm not a carpenter but this summer my family and I took a risk and built 2 decks ourselves
from instructions off the Internet. This was not in my skill set but now we are enjoying
2 well-built decks as the cooler weather hits. Sometimes you just have to try and see how it goes.

Tammy Wallace:

Prayer Request:

For wisdom and discernment for the future for me and my husband, my mom, and my sons.
For Godly wives for my sons. For direction in future trips to Turkey for Mike.

I love to travel, to take pictures, and music. I grew up a Navy brat and moved 21 times
by the time I was 13.
