

Preteens 4th-5th

B45

Our desire is to partner with parents and help them to disciple their children during the important transitional years from childhood to teenage life. We want Preteens to enjoy this age...

“Be 4/5th graders”
and at the same time
“B” all God desires.

Communication is
Important...

Not just between you and your preteen,
but with the B45 Leadership. Please
share your important life events with us!
We want to be involved!

The Bridge Preteens Ministry

We are excited to offer a new opportunity and approach to partnering with Preteens and their Parents.

The best way to describe it is a Bridge that spans two incredibly important years. These are years when kids are facing challenges that you and I faced in High School, which several years ago kids were facing in Middle School, and now is being dialed back to 10-12 year olds.

B45 ((short and cool for your Preteen) will help partner with parents to Bridge the gap from our children's ministry - the D.O.C.K. to our youth ministry - The Rock!

Partnering with Families

For your Preteen to make it through these next two years prepared and ready for the bigger challenges, we need to help them through a barrage of changes that they are experiencing and move them towards embracing and living out a faith that is theirs.

Red + Yellow = Orange

Here at B45 we are here to equip you and your child to grow in Christ and become the Disciple Makers you are designed to be.

So Let's get started by getting on the same page!
You are the Red. We are the Yellow. Together we are producing Orange!
