An Unhindered Church Sharing an Unhindered Gospel

Today's Message: A Church Needs An Entrepreneurial Mind-Set

What is an entrepreneur?

What is an entrepreneurial mind-set in a church?

Why do some believers / churches resist such a mind-set?

The Church at Antioch had an entrepreneurial mind-set.

Three of that church's innovations were:

1.

Acts 11:19-21

2.

Acts 11:25-26

3.

Acts 13:1-3

Innovation with a purpose
