Week 1

List the names of every person you know in the spaces provided on this paper. Don't worry about if they're saved or lost. Just write their names. Think about the people you know in these categories – family and relatives; close friends; casual friends; coworkers; classmates; neighbors; fellow members of clubs, teams, groups to which you belong; service providers like your doctor, barber, child's teachers, dentist, beautician, banker, mechanic, baby-sitter, etc.)
