

List Instructions:

Week 1

List the names of every person you know in the spaces provided on this paper. Don't worry about if they're saved or lost. Just write their names. Think about the people you know in these categories – family and relatives; close friends; casual friends; coworkers; classmates; neighbors; fellow members of clubs, teams, groups to which you belong; service providers like your doctor, barber, child's teachers, dentist, beautician, banker, mechanic, baby-sitter, etc.)

Week 2

Last week you made a list of every person you know. This week write the letter “**S**” beside the name of each person you know for a fact is saved. Don't assume they are saved. You know it for certain. Write an “**L**” beside the name of each person you know for a fact is lost. Write a “**?**” beside the name of each person you can't say for sure one way or the other is saved or lost.

Week 3

Spend this week praying for the names on your list beside whom you wrote either an “**L**” or a “**?**”. Ask God to place five of them on your heart. Who are the five that God wants you to be intentional about influencing for Christ this coming year? Who are the five that God wants you to love and serve, pray for and talk to this coming year? Bring those five names with you to the OIKOS Evangelism workshop on October 2 at 4 p.m. until 7 p.m.
