

FILTER OF HOPE

JUNE 22-28, 2024

Our team will work in partnership with Filter of Hope to distribute water filters to families living in poverty. The team will partner with a local church who has reached out to families in their ministry area. This compassionate act of service in the name of Jesus gives our team the opportunity to take the gospel to families and connect them with a local church family. There are 3 training meetings - April 21, May 5, and June 9. All we be from 4:00pm-5:30pm at the church.

A valid US Passport that expires after December 22, 2024 is required for this trip.
