

SWANNANOA, NC

APRIL 28-MAY 2, 2026

Baptist disaster relief volunteers have been working in Western NC since Helene hit. To date, Baptists in North Carolina have completed 655 home rebuilds with 260 in progress. They have just begun building 13 new homes.

The group will be working for the next 4-5 years to help with rebuild efforts. The team will be working with Baptists on Mission as a part of the NC Disaster Relief Ministry. The exact ministry projects will not be known until a couple of weeks before the trip.

The ministry may have housing completed by the trip. If so, there will be bunk beds to sleep on. If not, team members will need to bring cots and/or air mattresses.
