

SOUTHERN FRANCE MISSION TRIP

July 4-12, 2026

The team will serve at Project Northern Lights (PNL) in southern France at one of the busiest seaports in Europe. PNL is a ministry of the International Mission Board (IMB) and is focused on putting physical gospel resources into the hands of North African and Middle Eastern immigrants who are leaving France and traveling back to their home countries. For many, this is the first gospel resource they have had and will be the only way to get those resources into closed Muslim countries.

Thanks for praying for our team!
